

BERMUDA

Gas-Fired Steam Boiler

Designed for reliability, efficiency and performance. For residential and small commercial applications with approved chimney.

- Cast iron heat exchanger
- Stainless steel burners
- Built-in draft diverter to fit low spaces
- Automatic vent damper included
- Attractive, rugged jacket
- Fully assembled or available as knock-down package
- Seven sizes from 69 to 276 MBH
- Designed for installation on combustible floors

BSI Near Boiler Piping Kits are designed to save time and money. The near boiler piping kit will assist in delivering “dry” steam to the heating system, reduce short cycling, eliminate water hammering and protect against system flooding. Kit includes all components required to complete the near boiler piping as recommended in the installation manual.
